

My Sexuality is My Humanity

**YET
I'm told**

**Sex is a sin
Wait until marriage
Do it with this person
Don't do it with that person
Don't do it alone.
Don't do it with many
Don't do it with any
Wear a purity ring
Tell the World you are NOT having sex**

**WELL
ITs MY Business**

AND

**Once you judge me
Once you hurt me or hate me...**

.

My Sexuality becomes Your HUMANITY TOO!
